

Dream about working in an office or with numbers?

A career in Business, Management and Administration might be for you!

Kelly Rietow, Owner

Roo Solutions, Human Resources Consulting

“I love Human Resources because of the variety. I have the ability to help an organization hire the right people, train them, solve business and people problems, and ensure workplace culture is an important part of the business. I love being a consultant because of the variety of clients I work with - nonprofits, schools, financial institutions, manufacturers and professional services firms.”

**Rod Medel, MBA
Managing Principal**

Medel & Associates,
Accounting &
Tax Firm

“I truly believe that being an accountant and advisor helps businesses and individuals to create value, comply with their tax obligations and thrive in their financial success.”
